

MULTI-BALL FIREPOWER

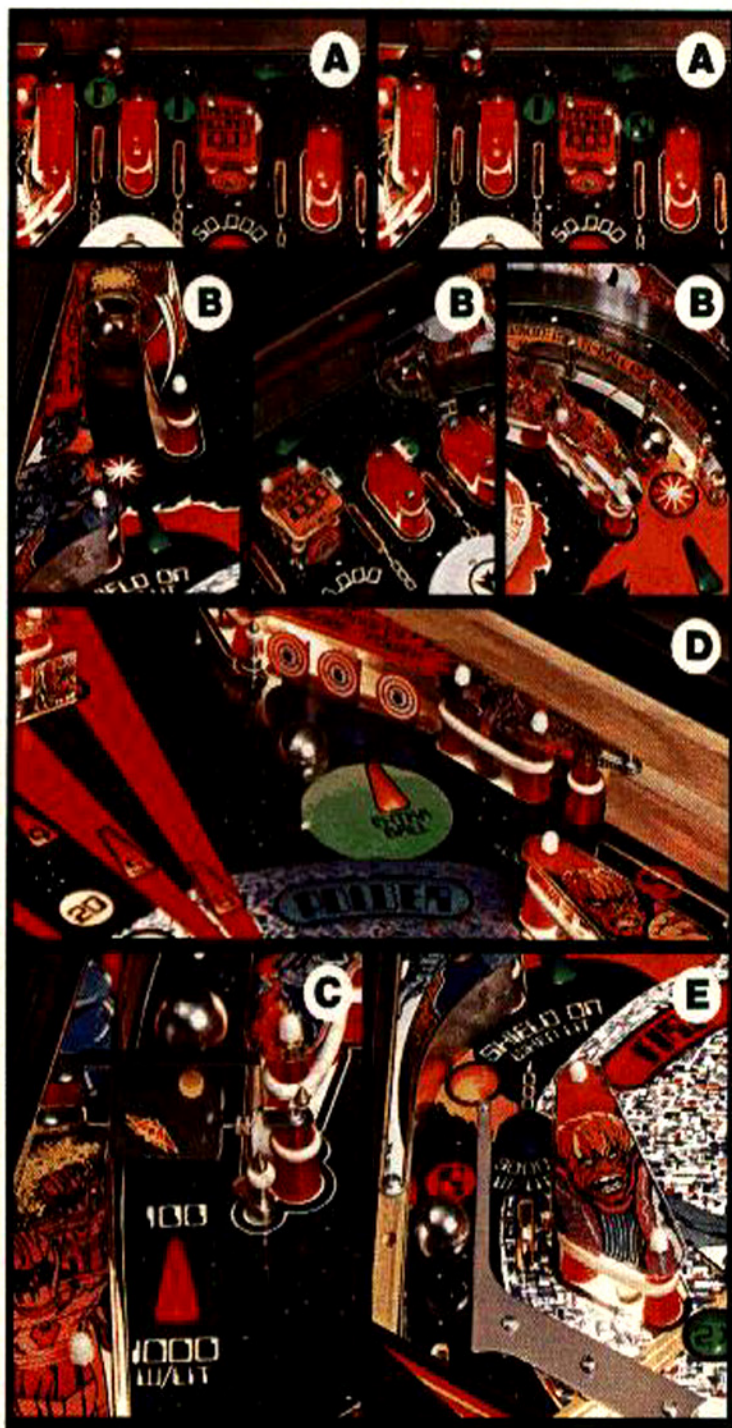

Williams®

The one and only "multi-ball™" multi-player pinball!

Another pinball FIRST ...for play appeal and profits that LAST!

- *"multi-ball™" multi-player!
- *exclusive "lane change™" feature!
- *"ball saver shield" for longer play!
- *FIREPOWER talks!

A. Unique "Lane Change™" Feature!

Work the flipper on the right for maximum scoring! Just a flick of the wrist will transfer the light and scoring potential from a lit top lane to an unlit lane for an additional skill feature that gives the player extra control in making all 4 top lanes!

B. "Multi-Ball™" Bonanza!

Wipe out the alien by making 6 center targets! The victory lights 1 or 2 super-charged eject holes and has FIREPOWER report back "enemy destroyed"! Make all 6 targets a second time and light the second or third eject hole! Then send the ball spinning into a flashing eject hole and it's locked up... while FIREPOWER kicks a new ball into play! Lock up the second ball... get a third! Lock up the third ball... and all 3 balls are fired into play at the same time on the command "Fire 1, 2, 3" for 3 times more excitement, 3 times more scoring power! The memory feature insures each player retains the same number of locked up balls from turn to turn for the ultimate test of individual skill. At the end of each game, all held balls are kicked out so that the "multi-ball™" feature is completely equalized, from player to player, from game to game.

C. Blast the Spinner!

Increase Spinner's value from 100 when unlit to 1000 when lit by knocking out all 6 center targets!

D. Energize FIREPOWER!

Make all 4 top lanes for 2X, 3X, 4X and 5X Bonus Multiplier and light "FIRE"! Hit 3 side targets and light "POWER", the flipper return lanes for 3000 value and 3 bonus advances! Light "FIREPOWER" and collect Firepower Bonus worth 10,000, 30,000, 50,000, Special! Make the Special and hear "Mission Accomplished"!

E. Arm Yourself with the "Ball Saver Shield"!

Make any bank of 3 targets and activate the "Shield" on the outside lane that propels the ball back onto the playfield for a longer scoring drive!

FIREPOWER Speaks of the Ultimate Test!

From the very first words at the start of each game... to "you are destroyed" if the game is tilted... and all other messages of daring and challenge during play... the player is urged on with a wild momentum that builds and builds!
